Cloudbeds.

Cloud-based hospitality management software built for independent properties.

Cloudbeds is designed to streamline operations, grow revenue faster, and deliver memorable guest experiences.

Made for properties of all shapes and sizes
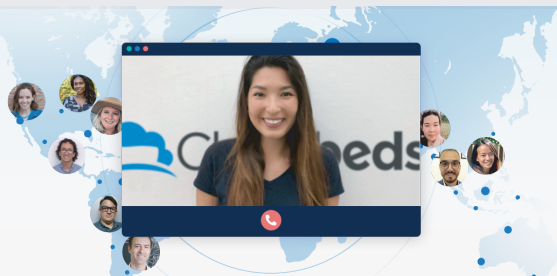

HOTEL   GROUP   HOSTEL   BNB   VACATION RENTAL

Thousands of properties worldwide trust Cloudbeds to power their business

Drive 20% more direct bookings

OTAs charge upwards of 15-30% commissions. Never miss an opportunity to capture direct bookings with Cloudbeds' commission-free, mobile-friendly booking engine.

Say goodbye to overbookings

With Cloudbeds, your hotel property management system, booking engine and OTA channels are always in sync. Automatically update your availability everywhere with a click.

Choose from 300+ built-in channels with zero added commissions

Meet your guests where they are. Manage all of your channels from one place with access to the most popular distribution sites including Booking.com, Airbnb, and Expedia.

World-class support, 24/7/365

We're more than a software company – we're your trusted partner here to help you succeed. Get access to our team of local experts, a library of resources, and fast, reliable support.
